

Fixture Type: _____

Catalog Number: _____

Project: _____

Location: _____

PRODUCT DESCRIPTION

Asgard's simple, sophisticated form has all the hallmarks of Scandinavian design, but it fits right in with nearly any modern décor aesthetic. Its rounded, rectilinear shape conceals the light source, which broadcasts up and down through silk-screened glass to avoid glare from any angle.

FEATURES

- Up and down illumination
- **Universal driver** (120V-220V-277V) within 4" junction box
- Dimmer: ELV, 0-10V
- ADA Compliant
- Color Temperature: 3000K
- CRI: 90
- Rated Life: 50,000 hours

SPECIFICATIONS

Construction: Wood construction
