PRODUCT DESCRIPTION

A luminous architectural profile and superior construction make this sconce appropriate for transitional and contemporary interiors or exteriors. Mitered silk-screened glass encases a maximum number of LEDs engineered for optimal illumination. Six adaptable sizes allow for cohesive specifications across residential and commercial interior and exterior applications. See pages 140 and 228 for other available finishes and sizes for bath interior and exterior applications.

FEATURES

- ETL & cETL wet location listed, IP65 rated
- ADA compliant, low profile design
- Aluminum construction with white mitered glass
