PRODUCT DESCRIPTION

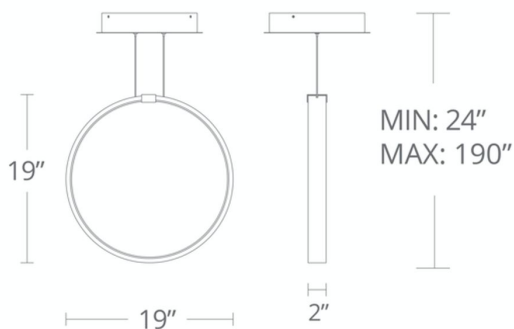

Breakthrough LED technology and clever engineering details elevate the classic chain motif on this pendant. Each circle features a magnetic closure to create a seamless look, which is echoed by the ultra-thin powered aircraft cables and round canopy. Light radiates from inside each loop, delivering warm, energy-efficient illumination into atriums and living spaces.

FEATURES

- Transformer concealed within the canopy
- Magnetic ring closures make linking a snap
- Thin powered aircraft cables provide an ultra clean look for adjustable suspension height
- Silicon diffusers for even illumination
- Can be mounted on a sloped ceiling
