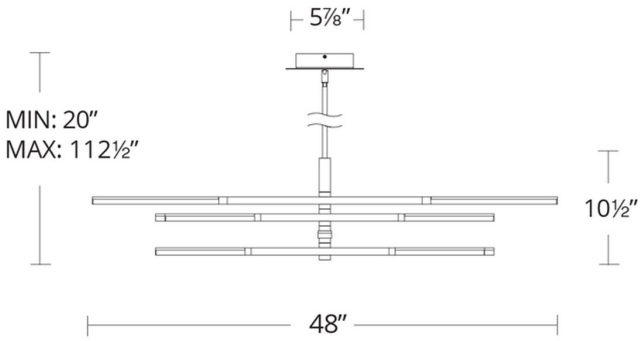
PRODUCT DESCRIPTION

The Stacked Chandelier by Modern Forms brings modern design and lighting together in a dynamic abstract form. This design, similar to that of helicopter rotors, features a series ofAluminum blades whose ends are accented by Opal silicon diffusers and lit by integrated LEDs. Each blade adjusts both up and down and rotates 360 degrees, allowing for endlessconfigurations to fit any task or aesthetic.

FEATURES

- Driver concealed within the canopy
- Silicon diffusers for even illlumination
- Rotatable arms and articulating lights adjust 360-degrees for customization
- Slope ceiling adaptable. Hang straight swivels up to 90 degrees
- Three 12” and one 6” down rods included (additional sold separately)



PD-50748
