PRODUCT DESCRIPTION

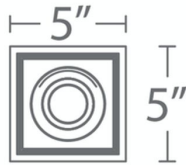

Sometimes you need to think inside the box, which is why we crafted each of these designs with a continuously adjustable beam of light that ranges from 15 to 45 degrees. This installation-friendly minimalist design at its finest, with cutting-edge technology, easy-to-use features and flexibility.

FEATURES

- Driver concealed within the fixture
- Surface mount in extruded aluminum or encased in light or dark walnut
- Tempered glass conceals and protects LED modules inside
- Continuously adjustable beam angle from 15° to 45°
- Unique wood grain
