Cloud

WS-3428

PRODUCT DESCRIPTION

Designed for a diverse range of architectural interiors and to deliver high-quality functional light for luxury environments, Cloud brings outstanding illumination and premier craftsmanship to every application. Hand-mitered glass fills with beautiful light sourced from the cutting-edge LEDs inside, positioned for an even illumination without glare or hot spots, while a chrome finish adds the final touch of luxury. Reach for the Cloud.

FEATURES

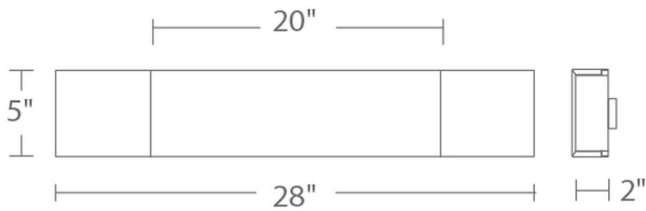

- 277V option available for special order.
- ACLED driverless technology
- Clear mitered glass
