WS-11710

PRODUCT DESCRIPTION

Put a new slant on your lighting scheme with the Blade family of sconces, minimalist designs that look right at home with Scandinavian or contemporary furniture. Engineered for indirect illumination, each sconce creates warm, inviting light that spreads out for a beautiful ambient effect. It's understated luxury, powered by LED innovation.

FEATURES

- 277V option available for special order.
- ACLED driverless technology
- Conversion plate included to accommodate 4" junction box
- Unique wood grain
