Dink

WS-32714

PRODUCT DESCRIPTION

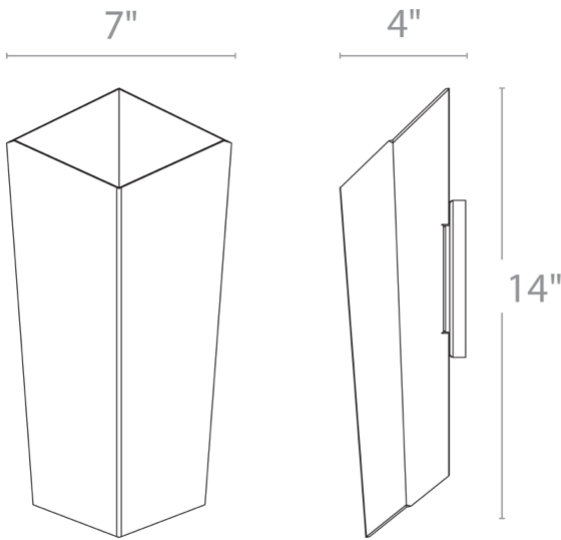

A subtle taper adds nuance to the form, which is then hand-leafed for a luxurious contrast to the matte powder finish. DINK is much more than good looks, of course—cutting-edge LED technology inside projects beautifully up and down for a demure ambience and functional task light. Ideal for upscale residential, hospitality and commercial environments.

FEATURES

- Driver concealed within the fixture
- Hand-leafed interior
- Up and down illumination
