Oslo

WS-W18708

PRODUCT DESCRIPTION

The more time you spend with this refined outdoor sconce, the more you realize how exceptional it is. The artfully crafted body is smooth and supple, featuring subtly rounded shapes at the base and head, which is set off perfectly by a brilliant cone of mouth-blown etched opal glass peeking out from the hood. It doesn't hurt that Oslo features some of the best LEDs in the industry, bringing incredible illlumination to your exterior décor.
