Kinetic

PD-61760-DYN

PRODUCT DESCRIPTION

The spectacular, large-scale size Kinetic glows from color-changing or white edge-lit LED panels that broadcast 360-degrees of eye-catching illumination. Rotates its rings for a personalized look.

FEATURES

- Driver concealed within the canopy
- Silicon diffusers for even illumination
- Edge-lit LED panels provide even illumination
- Rotatable rings for customizable form
- NEC CODE (314.24) requires that ceiling outlet boxes in the U.S. support up to 50 lbs
- This fixture exceeds 50 lbs. and must be installed using a U.L. listed outlet box approved for up to 200 lbs. or supported independently of the outlet box
- The MyWAC app lets you choose custom colors, automate color sequencing, adjust tunable white, and includes dimming capabilities
- Features advanced RGBWW technology, which uses warm and cool white LEDs to offer a range of color temperature options (2700K-5000K) for full tunability and control over generating thousands of colors
