PRODUCT DESCRIPTION

Minimal Form. Maximum Versatility. The Tuck Outdoor LED Flush Mount proves that simplicity and sophistication can coexist beautifully. Defined by its clean circular profile and diffuser featuring a concentric ring design, Tuck emits a soft, even glow that enhances exterior spaces with ambient illumination. Engineered for durability, this versatile fixture is wet rated and available heat resistant option for sauna application, making it ideal for everything from patios and porches to wellness spaces and spa environments. Compact yet powerful, its minimalist design blends effortlessly with modern architecture while providing reliable, high-performance lighting that's built to last.

FEATURES

- ACLED driverless technology
- Die-cast aluminum frame
- Lightweight dimensional injection-molded PC shade with a clear exterior juxtaposed with an etched interior
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K (Available for standard FMW254605 version)
- Option available for sauna application. Durable and heat resistant. Offered in 3000K only (special order)
- For Sauna option, add "S" after the model (Example: FMW254605S)
- Patent Pending
