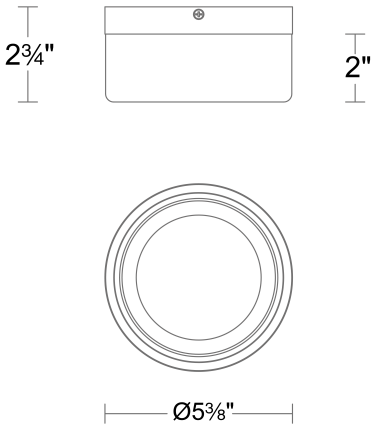
Tuck II

FMW256605

PRODUCT DESCRIPTION

Minimal Form. Maximum Versatility. The Tuck II Outdoor LED Flush Mount proves that simplicity and sophistication can coexist beautifully. Defined by its clean circular profile and diffuser featuring a banded ring design, Tuck II emits a soft, even glow that enhances exterior spaces with ambient illumination. Engineered for durability, this versatile fixture is wet rated for outdoor use, making it ideal for everything from patios and porches. Compact yet powerful, Tuck is equipped with 4CCT selectable color temperature, giving you the flexibility to fine-tune the light for every setting, from warm, relaxing ambiance to bright, functional illumination. Its minimalist design blends effortlessly with modern architecture while providing reliable, high-performance lighting that's built to last. Available in a heat resistant option for sauna application, making it ideal for everything from patios and porches to wellness spaces and spa environments.



FMW256605

FEATURES

• ACLED driverless technology
