Conan

WS244616

PRODUCT DESCRIPTION

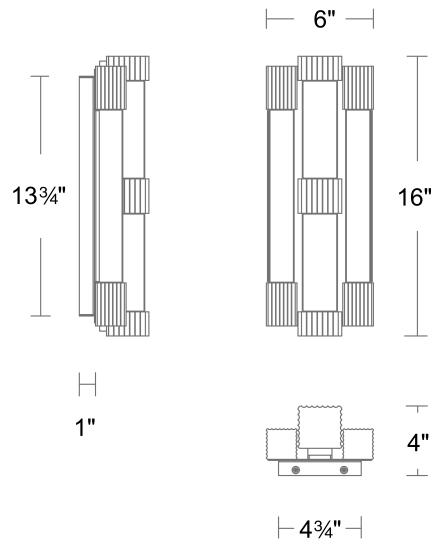

Architectural Presence. Elevated Design. The Conan Indoor Wall Sconce makes an uncompromising statement of modern sophistication through its harmonious blend of natural textures and crisp lines. This enchanting piece is crafted from the cultured surfaces of basalt or travertine, expertly paired with mitered glass, creating a bold aesthetic that is both grounded and brilliantly refined. A soft, ambient glow emanates through its precisely cut front; it is a meticulously designed artifact that merges the raw beauty of earth's elements with the precision of modern craftsmanship, conceived for those who demand discerning excellence in their architectural lighting.

FEATURES

- Driver concealed within the canopy
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Mitered glass diffuser
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
