PRODUCT DESCRIPTION

Illuminated Sculpture. The Voxxel Wall Sconce presents a bold and architectural approach to indoor illumination, embodying the essence of illuminated sculpture. Each indoor sconce is an uncompromising study in cultured design, featuring Spanish Alabaster and metal frame that serves as both a boxy structure and diffuser. Delivering 3000K LED illumination, VOXXEL creates an enchanting play of light and shadow, highlighting its inherent textures and casting a sophisticated glow. Its educated, geometric form makes a charismatic statement in any modern interior, offering both impactful illumination and a distinctive artistic presence. VOXXEL elevates spaces with its profound elegance and masterful light.

FEATURES

- Driver concealed within the canopy
- Up, down, and ambient illumination
- Premium natural Spanish alabaster stone features unique veining and color variation
- Patent Pending
