Formation

WSW210616

PRODUCT DESCRIPTION

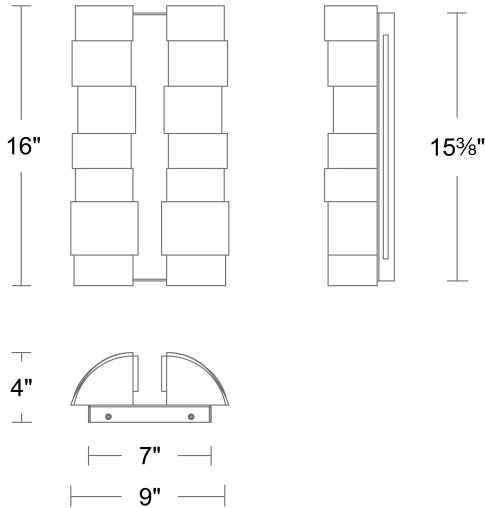

Layered Luminescence. The Formation Outdoor Wall Light has a bold, sculptural presence, presenting an educated and artistic approach to outdoor lighting. Each sconce is a masterful arrangement of carved Basalt or Travertine elements, creating a textured, multi-dimensional form that is both ancient in spirit and strikingly modern. Uncompromising in its design, Formation delivers 4CCT LED light, producing an enchanting glow that dances across its natural surfaces and creates a charismatic effect. These luminaires elevate exterior walls into curated art installations, embodying a cultured aesthetic and unparalleled performance.

FEATURES

- Driver concealed within the canopy
- Ambient and sidelit illumination
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
