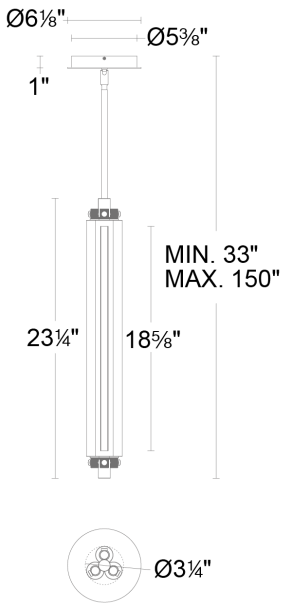
Trice

PD250623

PRODUCT DESCRIPTION

Geometry, reimagined. Sleek, minimal, and engineered for impact, Trice turns the traditional pendant into a modern sculpture. A trio of precisely aligned Illuminated cylinders create a striking rhythm of form and light. The diffuser emits a soft, inviting glow — an elegant contrast to its confident, architectural silhouette. This fixture is also compatible with WAC Home system for Tunable White and Dim-to-Warm lighting (1800K – 4000K), offering a personalized lighting experience for any space. Designed to punctuate interiors with intention, Trice isn't just functional illumination — it's a visual statement that commands attention and elevates any space it inhabits.



PD250623
