Cadey

WS246619

PRODUCT DESCRIPTION

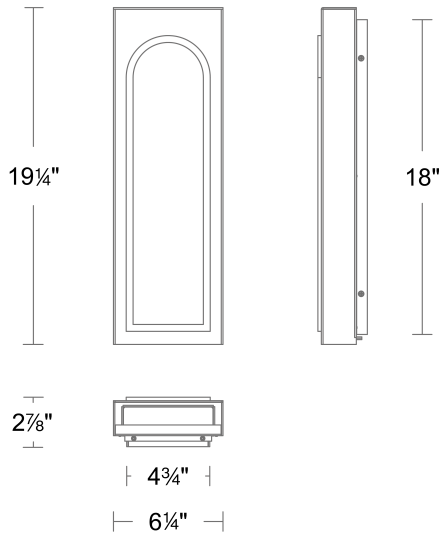

Artisanal Downlight Drama. The Cadey wall sconce presents a cultured approach to interior illumination, blending artisanal aesthetics with modern performance. These organic outdoor sconces feature genuine Travertine panels, each meticulously chosen for its unique, enchanting texture, creating a statement that is both bold and naturally refined. An uncompromising 3000K LED downlight within an open bottom design, casting a focused glow that highlights architectural details and ensures a charismatic welcome. CADEY luminaires are designed to integrate seamlessly into sophisticated interiors, offering enduring beauty and exceptional light.

FEATURES

- ACLED driverless technology
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Open bottom for easy maintenance
- Patent Pending
