PRODUCT DESCRIPTION

Perpendicular lines travel up and down on this hexagonal design, forming building -like columns that suggest an austere cityscape. A round canopy adds a geometric accent, while thinly coated wires deliver power and the cleanest look possible. With a beautiful black finish and superior light, Gotham is a modern meditation on monochromatic contrasts and does justice in town or country.

FEATURES

- Silica gel diffusers
- Thin, powered aircraft cables provide an ultra-clean look and are easy to adjust for customized suspension height
- **Universal Driver** (120V-20V2-277V) within canopy
