PRODUCT DESCRIPTION

Marvel at this ultra-thin sconce and vanity light collection which adapts the latest technology from the television and display industry, to create phenomenal light output. This luminaire boasts a depth from the wall of less than an inch. The amazing uniform light is free from glare, hot spots and color-over-angle changes. Place above or alongside a mirror for a modern geometric display of two-dimensional rectilinear forms. Create a dramatic display of wall art with an arrangement of these modular units.
